

First to respond First to connect

Providing enhanced communications
– especially when lives are on the line

Whatever the situation, FirstNet is the wireless network you need to connect and communicate every day – especially when lives are at stake. But it’s so much more than that. With FirstNet, you can:

- 24/7 nationwide coverage
- Prioritized access
- Nationwide coverage
- Affordable rate plans and industry-leading devices with advanced features
- Heightened security to resist physical and cyber threats

Your organization will verify your eligibility. Visit a local AT&T store with your FirstNet code and we’ll help you get started today.
