Dear TARS Supporter,

We, the Tennessee Association of Rescue Squads (TARS), conduct an annual convention, training event and EMS symposium in early fall of every year. The training event allows our members and area departments from various first responder organizations the opportunity to come together to get various training from our Rescue College. The EMS Symposium offers pre-hospital care providers the opportunity to earn continuing education credits toward their recertification requirements. The annual convention is an opportunity for our members to come out and compete and learn in competitions ranging from vehicle extrication to emergency care. We, also, have our annual meeting and awards ceremony during this event. This year the 69th Annual TARS Convention will be held on October 4-5, 2024 with the 14th Annual EMS Symposium being held before the Convention on October 2-3, 2024. All of these events will be held at the Music Road Hotel and Convention Center in beautiful Pigeon Forge, TN.

While we are working diligently to keep our registration fees for our members and attendees at a minimum, additional support is needed to ensure that we continue to have a great training event, symposium and convention.

This is why we are needing your help! The Tennessee Association of Rescue Squads is a 501 (c)(3) non-profit organization established in 1955 with 5 squads to establish Life-Saving and First- Aid work in the state of Tennessee. We have since grown to 98 units and over 3,500 members. We have over 100 associate department members.

TARS is working hard to raise funds to ensure that we can keep top notch speakers for our symposium and keep our convention standards high. With an average of 500 Rescue and EMS personnel who attend, our Training event, Symposium and Convention will give you a great opportunity to promote and advertise your business and products.

Your donations and/or sponsorships will provide your business/products advertising opportunities and visible recognition throughout the Training event, EMS Symposium and Convention. Sponsors will also be recognized on the TARS website.

Donations and sponsorships will benefit many rescue volunteers and EMS providers from all across Tennessee and will support the training that they receive during our EMS Symposium, Convention and Training Event. Donations to TARS may be tax deductible and sponsorships may qualify as advertising expenses. Please see the enclosed flier for sample opportunities.

Our goals for donor support/sponsors this year is \$20,000. With your assistance we can reach that milestone. We thank you in advance for any support that you can provide. If you have any questions or need any additional information about the events, sponsorships or the Tennessee Association of Rescue Squads, please do not hesitate to contact our State Office at:
